San Nicolas Roundabout Got Lights.

With such a rough week that San Nicolas had with loosing 2 pillars of the community Eric & Benny it's nice to see some lights go up to try and cheer up the community. We would like to thank Tito and his team for making this happen once again.

San Nicolas Looses A Good Friend.

The community of San Nicolas was in shock when they heard of the passing of Eric Nassy, passed Monday he suffered a massive heart attack and was rushed to the hospital, knowing how loving Eric was by Tuesday Eric was sending whatsapp to all his people saying he was ok, but just a few days later the sad news came in that he had passed away sending a sad feeling through the entire island. Rest In Peace my friend and thank you for all your knowledge, and always making time for everyone.
